LUXE COLLECTION

Hot new PRODUCTS, TRENDS and TREASURES in design, decor and lifestyle.

Designed and made in Italy, and exclusive to Italtile, the **NYRA Collection** is a bold new vision of stone from Atlas Concorde x Studio Apostoli - all about ultra-modern livingscapes that celebrate sustainability, originality and authenticity.

italtile.co.za

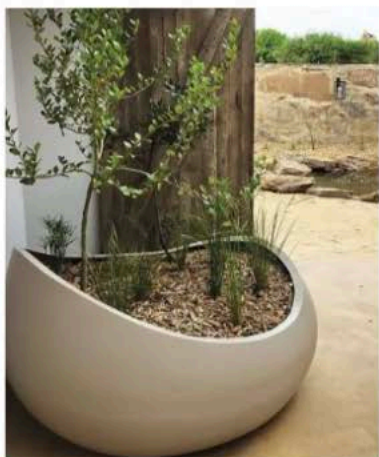

With an auto-glide extension system, the **Albatross extendable outdoor dining table** effortlessly transforms between two different lengths - 2.5m and 3.1m - creating ample space for up to 10 dining chairs.

monexteriors.com

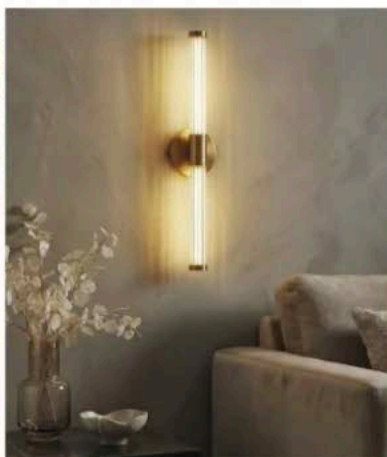

Designed by Yabu Pushelberg, the **Pebble range** from Indigenus consists of versatile, compact troughs that can be clustered with other planters. Given their Yin-Yang shape, they also work well with rounder couches and in curved spaces.

indigenus.co.za

Locally manufactured, lightweight, all-weather polycarbonate pots, planters, and furniture pieces by **igneous** combine bespoke design with robust application. Indoors or outdoors, they offer low maintenance and excellent longevity.

igneous.co.za

Blending contemporary style with timeless elegance, the refined form of K.Light's **Golden Wand wall light** is its standout feature, while textured glass and a rich golden finish diffuse an even glow that enhances understated sophistication.

klight.co.za

Mobelli's **Dante 8-seater outdoor dining table** brings the elegance of indoor entertaining outside. Its sculptural aluminium base and porcelain stone-look top offer effortless style with zero compromise on durability.
